COMINFER

PREMESSA

L'acquirente, al perfezionamento di ogni ordine, accetta tutte le condizioni di vendita sotto riportate, rinunciando alle proprie condizioni generali d'acquisto considerate nel loro complesso o singolarmente. Eventuali deroghe alle presenti condizioni possono essere attuate solo tramite accordi diversi accettati per iscritto da Cominfer.

Il contratto si intende sempre perfezionato al domicilio di Cominfer, ogni eventuale controversia è esclusivamente di competenza dell'Autorità Giudiziaria di Bologna.

ORDINI E CONFERME D'ORDINE

Gli ordini devono pervenire a Cominfer in forma scritta. L'ordine di acquisto è irrevocabile per la parte acquirente e si intende perfezionato quando la stessa parte acquirente riceve formale conferma d'ordine da parte di Cominfer.

L'ordine, una volta confermato, non può essere annullato senza la preventiva autorizzazione di Cominfer. In caso di annullamento dell'ordine, Cominfer si riserva la facoltà di richiedere un indennizzo per le spese e gli oneri sostenuti in relazione alle fasi iniziali di gestione dello stesso.

PREZZI

I prezzi indicati nei listini sono indicativi e potranno subire variazioni nel corso della validità dei listini stessi.

I prezzi per l'ordine diventano vincolanti con la conferma d'ordine relativa, salvo eventi imprevedibili e indipendenti dalla volontà di Cominfer.

SPEDIZIONE

Cominfer vende i propri articoli secondo le modalità di spedizione, concordate nella fase di trattativa commerciale e ufficializzate nella conferma d'ordine. Le modalità di spedizione seguono le indicazioni INCOTERMS 2000.

RISCHIO DEL TRASPORTO

Nel caso di spedizione effettuate a carico di Cominfer, eventuali reclami per mancanza di colli, manomissioni o danni da trasporto, devono essere inoltrati al vettore al momento della consegna presso il destinatario, elevando dettagliate riserve sulla lettera di vettura o sulla bolla di accompagnamento. Ogni altro reclamo relativo al trasporto dovrà essere inoltrato a Cominfer per iscritto entro 8 giorni dal ricevimento della merce, altrimenti non verrà accettato.

PRODOTTI

Tutte le caratteristiche riportate sul catalogo possono essere modificate da Cominfer in qualsiasi momento e senza preavviso.

RESI e RECLAMI

L'acquirente deve segnalare eventuali difetti rilevati attribuibili a responsabilità del produttore sui prodotti entro 8 giorni dal ricevimento della merce. Solo con autorizzazione scritta da parte di Cominfer, tali pezzi difettosi potranno essere resi a Cominfer con spedizione a carico del cliente.

Cominfer solo dopo la verifica sui resi, se riscontra una difettosità correlata ad un difetto di lavorazione ed accerta che essa non è in alcun modo dipendente da inappropriata installazione e/o utilizzo, ove le condizioni di garanzia siano tutte verificate, provvederà alla sostituzione dei prodotti o all'accredito del prezzo pagato dal cliente.

In ogni caso, Cominfer declina ogni obbligo di risarcimento per danni diretti o indiretti, eventualmente derivanti dalla difettosità riscontrata.

PAGAMENTO

I pagamenti devono essere effettuati nei termini indicati nella conferma d'ordine.

In caso di mancato o ritardato pagamento Cominfer si riserva la facoltà di sospendere o annullare eventuali ordini in corso e si riserva la facoltà di addebitare gli interessi bancari e le spese sostenute.

Inoltre il mancato o ritardato pagamento delle fatture per qualsivoglia ragione ci dà diritto, impregiudicata ogni altra azione, di pretendere il pagamento anticipato delle restanti forniture, oppure di ritenere sospeso o risolto il contratto e di annullare l'evasione di eventuali altri contratti in corso, senza che il compratore possa avanzare pretesa di compensi, indennizzi od altro.

FOREWORD

Once each order has been finalized, the purchaser accepts all the terms of sale detailed below, waiving his own terms and conditions of purchase taken as a whole or individually. Any waiver of these terms shall be put into effect only through other agreements accepted by Cominfer in writing. The contract is always understood as being finalized at the offices of Cominfer.

For all and any dispute, the Judicial Authorities of Bologna shall have sole jurisdiction.

ORDERS AND ORDER CONFIRMATIONS

Orders shall be submitted to Cominfer in writing. The purchase order is irrevocable by the purchasing party and shall be understood as being finalized once said purchasing party receives formal confirmation of the order from Cominfer. Once confirmed, the order cannot be cancelled without the prior permission of Cominfer.

Should the order be cancelled, Cominfer reserve the right to claim a refund of costs and expenses incurred with regard to the early stages of handling of the order.

PRICES

The prices shown on the price lists are given as an indication only and may be subject to change during the period of validity of the price lists in question.

Order prices shall become binding with the relevant order confirmation unless there are unexpected events beyond the control of Cominfer.

SHIPMENT

Cominfer sell their goods according to the shipment methods agreed during sales negotiations and made official on the order confirmation. Shipment methods are based on the terms defined in INCOTERMS 2000.

TRANSPORT RISK

In the event shipment is organized by Cominfer, any complaints regarding missing packages, tampering or damage during transit shall be submitted to the carrier upon delivery to the consignee, stating detailed reservations on the consignment note or packing list.

Any other transport-related complaint shall be submitted to Cominfer in writing within 8 days of receiving the goods, otherwise it will not be accepted.

PRODUCTS

Any of the characteristics featured in the catalogue can be changed by Cominfer at any time without notice.

RETURNS and COMPLAINTS

The purchaser is required to promptly (8 days) report any product defects which can be regarded as the manufacturer's responsibility.

Only when written permission is given by Cominfer may said defective parts be returned to L&S at the customer's expense. Only once returns have been inspected - where a defect is found that is connected to faulty workmanship and it is ascertained that the defect is in no way the result of inappropriate installation and/or use, and provided the warranty terms have all been met - shall Cominfer have the products replaced or credit back the amount paid by the customer.

Whatever the case, Cominfer is relieved of any responsibility to pay compensation for direct or consequential damage that may have resulted from the detected defect.

PAYMENT

Payments shall be made by the date indicated on the order confirmation.

In the event of late or non-payment, Cominfer reserve the right to freeze or cancel any orders in progress and reserve the right to charge the purchaser bank interest and any costs incurred. Moreover all delays in setting our invoices for any reason entitle us to claim for the advanced payment of all pending orders or entitle us to break up the contract or to cancel any other imedding contract. Without giving the right to the buyer to claim damages, refunds, etc.
